Information For Covid-19 response and Preparing for Phase Two

- Following all recommendations from

PHO  , Work Safe BC 

Interior Health  , CLBC  and City
MOUNTAINS OF OPPORTUNITY
CRANBROOK.

- Aligning the new practices with programs and schedules for participants.
- Adding new activities and information to our FaceBook and Web www.realmbc.ca and continuing social distance visits, deliveries and ADSLs

The Team is working to align the safety guidelines with the go forward planning for phase 2 which will come in July.

We will be in contact with all individuals by months end to discuss service and schedules. We will talk about the New Normal, introducing everyone to their schedules, pod group and new protocols of having service. This will include hygiene and masks.

We have been collecting information from Advocates, Families Home share and CLBC which is being considered as we balance the safety and service needs to create the go forward plans.

Remember more spaces with limited faces. 😊
